Recognizing our Linkhorn Lions in Action:

*This is a new program, recognizing and awarding LPES Students weekly. Teachers recognize students exhibiting outstanding behavior for being **Respectful, Responsible, and Safe** by completing a Lions in Action slip describing behavior in narrative form. The student is recognized on morning announcements with the AP reading the narrative provided by the teacher. Students receives the handwritten recognition to take home.*

This week our teachers would like to recognize the following LPES Students for exhibiting outstanding behavior in the categories of Respectful, Responsible and/or Safe:

- **Christian Braithwaite**
