Dear Parents,

Thank you for trusting us with your child every day. In an effort to increase our security, we will begin keeping the front doors locked until Mrs. English, our Security Assistant, arrives and it will be locked once she leaves. The school division has installed a doorbell that you can ring prior to 8:20 or after 3:40. Days that children are involved in clubs, we will unlock the door at pick-up time and will assign a secretary to monitor the door. Beginning next year, the school division will be installing a buzz-in system in all schools so that no exterior door will be unlocked at any time.

It is so sad that we have to take these measures, but your child's safety is worth the inconvenience.

Sincerely,

Barbara Sessoms
Principal
